"Timeless Tales"

[February 6, 2022- #4821 Music & the Spoken Word \(thetabernaclechoir.org\)](https://thetabernaclechoir.org)

Hans Christian Andersen was the only child of a poor shoemaker who rose from poverty to the top of European society through talent and tenacity. His most enduring contribution to the world of literature was fairy tales. His own life was anything but a fairy tale and included plenty of heartache and trouble, though he affirmed, "Life itself is a wonderful poetic tale. An invisible and loving hand directs the whole of it. It was not blind chance which helped me on my way, but that of an invisible and fatherly heart that beat for me. The history of my life will say to the world what it says to me – There is a loving God who directs all things for the best."

That is not a fairy tale. It is a timeless truth for us all.

J. White Hat Intel:

- **In the next 3 weeks expect the Actor/Clone Biden** to make even weirder statements intentional – a shock for the sheep. What I'm told is that the Biden clone is told to make a scene and to cause panic for his own party and MSM must watch. The White Hats were controlling Biden. We are almost there, folks.
- **The well placed plan by White Hats** to bring down Twitter, or take over the Deep State site was in the Kill Box - exposure of Twitter on a world stage and it's fake bots, lies to share holders and billions of advertisers lost due to fake bots and contract breach.
- **The ripple effect is hitting YouTube, Facebook and Instagram.** Behind the scenes investors are selling their stock – a great mass confusion and fear is hitting the share holders. Many who own shares in Twitter, also hold shares in Facebook and other major social media platforms and they were in panic mode watching the Markets tumble and

collapse at the same time Twitter was expected to go bankrupt if Musk doesn't buy and at the same time Musk was red pilling hundreds and millions.

- **Musk has near a hundred million followers.** His tweets are hitting major news networks in the U.S. and across the world media stations. People were turning into his Twitter page as he exposes Twitter, Durham investigation into Russian collusion, FBI involvement and Ghislaine Maxwell.
- **Word was that billionaires across the world** know top tech companies (Facebook, Twitter, YouTube, Instagram) are falling and headed into coming investigation and indictments connected to foreign interference with military penalties.
- **The Deep State was desperately trying to create the next pandemic** to cover up the last Plandemic, Ukraine money laundering, Bio-labs, Biden-Obama-Clinton connections to world money laundering rings connected to Bio-labs and illegal human (child sex) trafficking.
- **Bin Salman** was deeply connected to Trump and had vast control inside Social Media Networks. Salman has hundreds of investors he controls across the world who bid for him and his subsidiary companies. Salman was creating panic through the Social Media Networks by pulling strings.

K. Fulford Report: <https://rumble.com/embed/v137v0d/?pub=4>

- **Many high profile cases** are taken place currently through the U.S. EU CANADA connected to human trafficking, sex trafficking.
- **These hidden courts and prosecution** are not be reported (like the Hunter Biden trial in Delaware). White Hats were making sure the details of the cases were kept hidden due to the facts the MSM and other Elite keep creating chaos/misinformation around the trials.> [They] try to get to the jury and purge them, taint the trials.
- **As Q told us, only 20% of the operation** will be visible and the other 80% will be Covert.
- **The current tunnel systems** in NY city is now being exposed to large groups that are directly connected to Epstein, HRC, Bill Gates.
- **NYC's elite are in a tizzy** after Justice Department 'inadvertently' publishes list of 121 'clients' - including lawyers, businessmen, and socialites - who solicited Sarah Lawrence 'sex cult victim' who was forced into prostitution

L. White Hats: Underground Tunnels:

- **The last battles are the Hardest.** The last 10_15% of the tunnels in U.S are the HARDEST battles. Through Cali. Texas. Florida (water world) N.E U.S. (five finger sub/maglev lines) The mini tunnels through the N.E. Cities .NY. DC. Philadelphia. Montreal.. Finger lakes. Chicago.ect.
- **MASSIVE mini tunnels lines.** Small inner city Tunnels Lines (U-Ts)

Boston:45

Hartford:50

Baltimore: 50

DC:70

Montreal: 60

- **They all connect to maglev & Sub tunnels** N.E. U.S is the oldest Trafficking tunnels since British control + Queen, PHILLIPS, VATICAN.C_A.FBI
- **Thousands of soldiers** lost since 2014_ Destruction of the Underground tunnels and bases
- **Traps:** Thousands of children and adults in underground D.U.M.Bs lost. Dead. Deep State explosions.
- **Tornados in the last week** were cover patterns silencing the Booms – Deep State Booms.

M. Brief History of the Global Currency Reset, Role of the Chinese Royal Red Dragon Family and significance of 9-11-2001, Tironianae/Z Ultra

1. **In 1913 the US Congress** secretly voted to allow a new private bank, the Federal Reserve (FED), to print money for the US Treasury under the Federal Reserve Act of 1913.
2. **The FED** alone would be allowed to have full global monetary authority over rest of the world.
3. **During Bretton Woods (1944)**, the NATO Alliance and the United States needed collateral to "put up" in order to launch their world domination plan. So they asked the Chinese Royal Red Dragon Family, who had also funded the American war against the British Empire in the late 1770's.
4. **The Red Dragons agreed to lend their gold to the Central Bankers** for a maximum fifty-year period, ending in 1996 (plus a 5 year transition or grace period, making the back wall return date September 11, 2001).
5. **With this benevolent act, the global Central Banking System was born**, allowing all good standing sovereign nations to borrow redevelopment capital, and/or leverage through trade, in order to rebuild their war torn countries post WW2.
6. **The central bankers decided to keep the gold for themselves**, and began devising a strategy to accomplish this evil end. They manufactured a few wars in Korea, Vietnam, Iran, Israel/Palestine, Lebanon, Bosnia, Kuwait and Iraq.
7. **When the Red Dragons gold lending expired on Sept. 11 2001**, then came 9/11, which lead

humanity down its current military and financial pathway into Afghanistan, Iraq (again), Egypt, Syria, Israel/Palestine (again), Libya and finally Ukraine.

8. **All of these wars** were in directly response to giving the Red Dragons back their collateralizing assets to a rapidly defaulting Central Banking System.

9. **This discrepancy built to a head** when the Red Dragons demanded payment for derivatives debts on Lehman Brothers in 2007—and insisted that their gold interest must be paid back.

10. **When Lehman could not pay off the debt call**, the USG declared a global financial emergency, borrowing \$700B from its citizens (T.A.R.P.) in order to maintain repayment schedules negotiated by Federal Reserve Bank to the Red Dragons.

11. **As of March 1, 2015**, the FED nor the United States of American Corporation (founded in 1871) had the liquidity left to satisfy its debt repayments, and thus turned over the USG to White Knight Military leaders within the US Pentagon, and they now run the country's affairs. This transition has quietly been rolling out going back to 4th quarter 2012.

12. **(pointtrightindex)** So if you hear the term "Global Currency Reset" or "Revaluation of Currencies" in the future, simply understand the world is resetting back to an economic balance between sovereign nations, whereby each nation agrees to "revalue their currency" in harmony with a pre-agreed, common gold standard of value to both measure and trade wealth.

13. **Now that the Red Dragons** have claimed ownership of the Federal Reserve Bank and all its assets through sovereign treaty defaults, our once strong USD has lost all its worldwide credibility and value.

14. **As a result, the Red Dragons** have replaced the USD with a new global digital currency called the Treasury Reserve Note (TRN); and they have backed it with gold. In essence, stabilizing the US economy, while at the same time replacing the old global reserve currency (USD) with a basket of new global reserve currencies, headlined by the Chinese Renimbi/Yuan (RNB/CYN) respectively.

15. **All smaller sovereign countries**, once completely dependent upon the almighty USA and FED to determine their own country's currency value—have been released from economic bondage and allowed to revalue their currencies against a gold standard.

16. **BRICS** is an acronym representing the nations of Brazil, Russia, India, China and South Africa, and their economic resources united together, have replaced the United States as the world's leading economic power, as well as the USD as the global reserve currency by which all other currencies are valued as equal.

17. **Born out of necessity**, the BRICS Alliance Redevelopment Bank was thrust into the spot light with a 100B endowment from all participating alliance members. This new global monetary lending source has all but replaced and eliminated the need for the private Central Banking System old control mechanisms, namely the International Monetary Fund and World Bank—

both of which were created during the Bretton Woods Conference circa 1944.

18. **The new BRICS Alliance** lays claim to over three billion in total population, 60% GDP and controls vital transportation, military and natural resources in several strategic locations across Asia, Africa, and South America.

19. **The BRICS Alliance** quietly audited all global debt, and then prepared to collateralize all debts against their own gold reserves. This meant that the Red Dragon Elders had to agree to put up the physical gold to cover the entire world's debt. HT/JR

O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture

and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

Q. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
